

DE Estate Tax Repeal: Change in In-Migration by Origin's Previous Migrants' Income

DE-destination county-pairs; avg. post-shock flows (2018-2019) vs. pre-shock baseline (2017)

Binscatter. Y-axis: $(\text{avg. 2017-2018 label flow} / \text{2016 label flow}) - 1$; zero = no change (red dashed).

X-axis: wealth of people moving to Delaware from each origin in the pre-shock year.

Origins sending wealthier migrants to Delaware before the repeal are on the right.
